COURSE DESCRIPTION
This course provides education on the newer interventional therapies available to various neurological and neurosurgical conditions that have evolved over the last 10 years including, but not limited to, the latest in deep brain stimulation and endovascular interventions for cerebrovascular disease.

COURSE LEARNING OBJECTIVES
Upon conclusion of this program, participants should be able to:
• Evaluate and triage patients in a cost effective manner in regards to tertiary care neurological therapeutics.
• Manage common, uncomplicated neurological conditions in the primary care setting.

Attendance at this Mayo course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

INTENDED AUDIENCE
Primary care physicians and nurse practitioners are the first to encounter these complex neurological disorders. With the advances in the recent years, practitioners do not have the prior knowledge to determine whether patients should be referred for these procedures.

CREDIT
College of Medicine, Mayo Clinic, is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

College of Medicine, Mayo Clinic, designates this live activity for a maximum of 14.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

10 AMA PRA Category 1 Credits™ are designated for the general session. An additional 4.0 AMA PRA Category 1 Credits™ are designated for the ABFM Module.

American Academy of Family Physicians
Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

GRANTS AND EXHIBITS
At the time of this printing, a complete listing of commercial supporters was not available. Appropriate acknowledgment will be given to all supporters at the time of the meeting.

DATE AND LOCATION
Hot Topics in Neurology and Neurosurgery for the Primary Clinician is June 6 - 7, 2013. Course headquarters are located in the Leighton Auditorium on the second floor of the Siebens Building, Mayo Clinic, 100 Second Ave SW, Rochester, Minnesota. Meeting facilities are easily accessible by skyway and pedestrian subway, which connect Mayo Clinic to shops, restaurants, and hotels.

REGISTRATION
To register online, visit http://www.mayo.edu/cme/neurology-and-neurologic-surgery-2013r827 or complete the attached registration form and return by mail or fax. The registration fee includes tuition, comprehensive course syllabus (available online prior to the course), continental breakfast, lunch, and refreshments. Although it is not Mayo School of Continuous Professional Development (CPD) policy to limit the number of registrants for a course, conference room facilities may necessitate closing of enrollment; therefore, early registration is advised. A letter of confirmation will be sent upon receipt of payment and completed registration form. Please present the confirmation letter when checking in at the meeting registration desk.

SYLLABUS AND INTERNET ACCESS
A link to the electronic course syllabus will be sent to participants one week prior to the course. Participants are invited to bring their laptops to the meeting room. Complimentary internet access is included with the cost of the course registration.

A printed syllabus will not be available.
CANCELLATION POLICY

If you cancel your participation in this course, your registration fee, less a $75 administrative fee, will be refunded when written notification is received by Mayo School of CPD before May 23, 2013 (fax#: 507-284-0532 or email cme@mayo.edu). **No refunds will be made on or after May 23, 2013.** Canceled registrations are non-transferable.

Mayo School of CPD reserves the right to cancel or postpone any course due to unforeseen circumstances. In the unlikely event Mayo School of CPD must cancel or postpone this course, Mayo School of CPD will refund the registration fee, but is not responsible for any related costs, charges, or expenses to participants, including fees assessed by airline/travel/lodging agencies.

TRAVEL

Rochester, Minnesota is serviced by an international airport with multiple flights daily via American or Delta Airlines. Access to and from the airport is provided by taxi, shuttle service, and rental car. The airport is located approximately 10 miles from the Mayo Clinic campus.

Note to Travelers: Several cities in the United States are named Rochester. When you make airline reservations and check your baggage, be sure that your destination is Rochester, Minnesota (RST) and that your baggage has been properly tagged.

LODGING ACCOMMODATIONS

Guest rooms have been reserved for attendees and their guests with special course rates at the following downtown Rochester hotel. In order to receive the special rate, reservations must be made before the room block is filled or before the expiration date of May 16, 2013, whichever comes first. Reservations will be taken following this date based on space and rate availability. Please identify yourself as a participant of the Neurology and Neurologic Surgery course when making your reservation.

Rochester Marriott Hotel
101 First Avenue SW
877-623-7775 or 507-280-6000
$139 single/double

The hotel listed above is connected by skyway and pedestrian subway to conference facilities, downtown shops, and restaurants. You may wish to visit the Rochester Convention and Visitors Bureau website (www.rochestercvb.org) and/or www.rochester411.com for additional accommodation options and area information.

Lodging and travel arrangements are the sole responsibility of the individual registrant.

Mayo School of CPD is not responsible for expenses incurred by an individual who is not confirmed and for whom space is not available at the meeting. Costs incurred by the registrant such as airline or hotel fees or penalties are the responsibility of the registrant.

PARKING

Parking is available in hotel, city, and Mayo patient/visitor ramps. The cost for parking is not included in the registration fee. A map indicating the location of downtown parking facilities can be found at: http://www.rochestercvb.org/go/getting-around/parking/

Joon H. Uhm, M.D.
# Program Schedule

## ABFM Self-Assessment Module - Cerebrovascular Disease

In this group learning experience, attendees work together, facilitated by Mayo Clinic faculty, to review and discuss the SAM core competency questions and to decide on the best answers as a group. After completing the session, Mayo staff report the group’s answers and individual’s participation to the ABFM. Later, participants must individually access the ABFM website, pay the necessary fees, and complete the clinical simulation section (which presents patient care scenarios corresponding to the topic module) in order to complete and receive final credit for the SAM.

**Please Note:**
There is a separate registration fee for the Self-Assessment session; attendees will be individually responsible for the additional ABFM fees required before completing the clinical simulation section.
