COURSE DESCRIPTION
This course is designed primarily for surgeons with interest in hepatobiliary and pancreatic (HPB) diseases. It consists of a two-day course, with an optional pre-course lab, dedicated to the state-of-the-art evaluation and surgical management of benign and premalignant conditions. The format will include didactic symposia, procedural video sessions, “how we do it” sessions, and hands-on labs to demonstrate safe techniques and innovative technology. Both diagnostic and therapeutic strategies will be emphasized.

COURSE LEARNING OBJECTIVES
Upon conclusion of this program, participants should be able to:

- Discuss the appropriate evaluation of patients with suspected benign or premalignant hepatobiliary disease.
- Describe the indications and contraindications for surgical intervention.
- Identify the nonoperative management strategies, their success, limitations and potential complications.
- Explain the advantages and disadvantages of open and minimally invasive surgical approaches.
- Identify the appropriate surgical procedures for management of diseases of the liver, biliary tract and pancreas.
- Discuss the management of postoperative complications for surgery of the liver, biliary tract and pancreas.

Attendance at this Mayo course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

INTENDED AUDIENCE
This course is designed for surgeons and gastroenterologists in practice with interest in HPB diseases and surgeons in training programs focused on HPB diseases.

CREDIT

CANCELLATION POLICY

If you cancel your participation in this course, your registration fee, less a $75 administrative fee, will be refunded when written notification is received by Mayo School of CPD before August 30, 2012 (cme@mayo.edu or fax#: 507-284-0532). **No refunds will be made on or after August 30, 2012.** Canceled registrations are non-transferable.

Mayo School of CPD reserves the right to cancel or postpone any course due to unforeseen circumstances. In the unlikely event Mayo School of CPD must cancel or postpone this course, Mayo School of CPD will refund the registration fee, but is not responsible for any related costs, charges, or expenses to participants, including fees assessed by airline/travel/ lodging agencies.

TRAVEL

Rochester, Minnesota, is a friendly city that greets thousands of visitors from around the world each year. The city is serviced by a modern international airport with multiple flights daily via American or Delta Airlines. Access to and from the airport is provided by taxi, shuttle service, and rental car. The airport is located approximately 10 miles from the Mayo Clinic campus.

Mayo Clinic’s appointed travel company, Ultramar Travel, is available to assist with your travel arrangements. To make your reservation, phone Ultramar Travel toll-free at 1-866-629-6885.

**Note to Travelers:** Several cities in the United States are named Rochester. When you make airline reservations and check your baggage, be sure that your destination is Rochester, Minnesota (RST) and that your baggage has been properly tagged.

**Travel arrangements are the sole responsibility of the individual registrant.**

PARKING

Parking is available in hotel, city, and Mayo patient/visitor ramps. The cost for parking is not included in the registration fee. A map indicating the location of downtown parking facilities will be mailed with the registrant confirmation letter.
LODGING ACCOMMODATIONS

Guest rooms have been reserved for attendees and their guests with special course rates at each of the following downtown Rochester hotels. In order to receive the special rate, reservations must be made before the room block is filled or before the expiration date of August 24, 2012, whichever comes first. Reservations will be taken following this date based on space and rate availability. Please identify yourself as a participant of the Surgical Treatment Course when making your reservation.
