CARDIOVASCULAR BOARD REVIEW
For Initial Certification and Recertification

ROCHESTER, MINNESOTA
AUGUST 25–29, 2018
OPTIONAL POST-COURSE ECHO FOCUS SESSION:
AUGUST 30, 2018
COURSE DESCRIPTION

Mayo Cardiovascular Review Course for Cardiology Boards and Recertification (CVBR) will provide the internist and cardiologist with an overview of all aspects of cardiovascular medicine. Well-known experts in each field will give in-depth didactics on state-of-the-art subjects in cardiovascular medicine. Each lecture will be followed by a question and answer session with an audience response system. Although this course is designed specifically to prepare the cardiovascular specialist for the cardiovascular boards, it will also provide the internist or practicing cardiologist with an update on the latest knowledge and advances in cardiovascular medicine.

LEARNING OBJECTIVES

- Diagnose acute coronary syndromes, select appropriate revascularization methods, and apply recent guidelines for medical management
- Assess risk in patients with stable coronary artery disease and choose evidence-based management strategies
- Recognize physical findings of valvular heart disease and choose treatment approaches based on individualized assessment of patient health status and comorbidities
- Diagnose, evaluate, and appropriately manage patients with structural heart disease
- Apply current guidelines and recent clinical trial evidence to the management of patients with heart failure with reduced or preserved ejection fraction
- Recognize the electrical signatures of common arrhythmias and select optimal treatment approaches
- Review basic cardiovascular physiology and pharmacology and apply this knowledge to key aspects of diagnosis and management
- Effectively manage complex patients, including pregnant women, the frail older patient, and patients with multiple comorbidities

COURSE DIRECTORS

Rick A. Nishimura, M.D.  Steve R. Ommen, M.D.
BLEND (LIVE + ONLINE) CURRICULUM

- Expert lectures designed for clinical application
- Pre-test and daily sprint tests at the live course, followed by an online post-course test
- Online study guide personalized per your pre/post test results
- Simulated online ECG, Echo and Angio exam
- 300 + board style questions

REGISTRATION FEES

ACCREDITATION

In support of improving patient care, Mayo Clinic College of Medicine and Science is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Mayo Clinic College of Medicine and Science designates this live activity for a maximum of:

- CV Review Course for Cardiology Boards and Recertification - 40 AMA PRA Category 1 Credits
- Post-Course Echo Focus Session - 7.25 AMA PRA Category 1 Credits

Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ABIM MOC POINTS

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 47.25 MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Participation information will be shared with ABIM through PARS.
