Mayo Clinic
Advances in Diagnostic Radiology

October 28-31, 2002
Course Co-Directors:
Jerome F. Breen, M.D. and Timothy J. Welch, M.D.

Advanced Radiology Life Support™ (ARLS)

Sunday, October 27, 2002
Course Co-Directors:
Mark S. Collins, M.D. and John T. Wald, M.D.

Loews Ventana Canyon Resort
Tucson, Arizona
COURSE DATE AND LOCATION

Mayo Clinic Advances in Diagnostic Radiology will be held October 28-31, 2002 (Monday-Thursday), and Advanced Radiology Life Support™ (ARLS) will be held Sunday, October 27, 2002. Both courses will be held at Loews Ventana Canyon Resort in Tucson, Arizona. For more information about what Tucson has to offer, contact the Metropolitan Tucson Convention and Visitors Bureau by phone at 800-638-8350 or visit them online at www.visittucson.org.

REGISTRATION

To register, complete the attached registration form and return by mail or FAX with the appropriate registration fee. The registration fee for Advances in Diagnostic Radiology includes tuition, comprehensive course syllabus, continental breakfasts, refreshment breaks, and welcome reception. The registration fee for Advanced Radiology Life Support™ includes tuition, comprehensive course syllabus, continental breakfast, refreshment breaks, and lunch. Although it is not Mayo School of Continuing Medical Education policy to limit the number of registrants for a course, conference room facilities may necessitate closing of enrollment; therefore, early registration is strongly advised. A letter of confirmation will be sent upon receipt of payment and completed registration form.

LODGING ACCOMMODATIONS

Loews Ventana Canyon Resort (meeting headquarters) is located 35 minutes from the Tucson International Airport and rests on a plateau, nestled in the Catalina Mountain foothills on 93 acres of ancient Sonoran desert. The resort features two Tom Fazio-designed championship golf courses, eight tennis courts, a full service spa and fitness center, and five exceptional restaurants. Secluded paths and terraces are laced through virgin groves of mesquite, squawbush, and blue paloverde. This location offers a place where ancient cultures, untamed landscapes, and tranquil surroundings harmoniously coexist. As an added benefit, Tucson boasts more than 350 days of sunshine each year! For more information about what the property has to offer, visit the Loews Ventana Canyon Resort web page at www.loewshotels.com/hotels/tucson.

Loews Ventana Canyon Resort has extended a special room rate of $225 per night plus tax to participants of this course. Contact the hotel directly by phone at 800-234-5117/520-299-2020, or FAX at 520-529-2980 to make your reservation. To ensure accommodations and the discounted rate, please make your reservation by September 26, 2002, and identify yourself as a participant of Mayo Clinic Advances in Diagnostic Radiology/ARLS. After the cut-off date, and/or after the room block has been filled, reservations will be accepted on a space-available basis. You are strongly encouraged to register for the course and secure lodging reservations early to avoid disappointment.

RECREATION AND LEISURE ACTIVITIES

Activities at or near Loews Ventana Canyon Resort include golf, swimming, horseback riding, hiking, mountain biking, hot air ballooning, croquet, ping-pong, basketball, and a kids club. For more information regarding tours and activities, contact the resort concierge by calling 800-234-5117/520-299-2020.
TRAVEL ARRANGEMENTS

American Airlines is the official carrier for this Mayo course. Reduced airfares are available for participants by calling American Airlines at 800-433-1790/817-267-2222. Reference this course as Index#S9988, Authorization#41H2AA. Reduced airfares are subject to availability. To take maximum advantage of discounted rates, it is strongly recommended that flights be booked 60 or more days prior to actual travel. You may contact the designated travel agency, Corporate Travel, for additional assistance with airfare or ground transportation arrangements by calling 800-526-4540/507-282-9121.

Special car rental rates are available through Budget Car Rental at the Tucson International Airport and the Loews Ventana Canyon Resort Desk. Daily and weekly rates include unlimited mileage for most types of vehicles. For reservations, call 800-279-3734/520-889-8800 and reference this course and rate code X117 to receive the discounted rate.

Taxi and airport shuttle service is available to and from Loews Ventana Canyon Resort. Individuals may phone the resort concierge directly at 800-234-5117/520-299-2020 to make reservations. The resort is located approximately 35 minutes from the airport.

September 21-25, 2003

FACULTY DISCLOSURE

As a provider accredited by ACCME, Mayo Foundation must ensure balance, independence, objectivity, and scientific rigor in its educational activities. All faculty participating in a Mayo Foundation activity are required to disclose commitments to and/or relationships with pharmaceutical companies, biomedical device manufacturers or distributors, or others whose products or services may be considered to be related to the subject matter of the educational activity. Faculty will also disclose any off-label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. Disclosure of these commitments and/or relationships will be published in course materials so those participants in the activity may formulate their own judgments regarding the presentation.
The **Advanced Radiology Life Support™ (ARLS)** Course is designed to focus on the unique, life-threatening emergencies that occur within a radiology department. It is designed to teach prompt recognition and treatment of contrast reactions, management of conscious sedation, the proper management of an airway in an emergency situation, and basic concepts of advanced life support. This course will offer Basic Life Support (BLS) recertification as well as hands-on clinical stations and didactic instruction.

ARLS, including BLS recertification and conscious sedation training, will be offered in a single day format on Sunday, October 27, 2002. The ARLS, conscious sedation, and BLS training materials included in this course were used to train physicians, nurses, and allied health personnel at the Mayo Clinic prior to a JCAHO site visit. This training program may help to prepare your department for a similar evaluation.

**INTENDED AUDIENCE – ARLS**

Advanced Radiology Life Support™ (ARLS) is designed for practicing radiologists, radiology fellows and residents, and radiology nurses.

**COURSE LEARNING OBJECTIVES – ARLS**

Upon conclusion of this course, participants should be able to:

- Identify all serious contrast reactions
- Describe proper use, administration, and potential side effects of intravenous sedation and analgesic medications
- Explain unusual characteristics displayed by persons who are experiencing a heart attack, stroke, or airway obstruction
- Demonstrate the proper management of an airway in an emergency situation
- Identify risk factors for heart attack
- Review management of the early stages of a complete cardiac arrest
- Distinguish between adult/child and single versus multiple rescuer CPR procedures
- Operate an Automatic External Defibrillator

Attendance at this Mayo course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

**CREDIT – ARLS**

Mayo Foundation is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians.

Mayo Foundation designates this educational activity for a maximum of 8.0 hours in category 1 credit towards the AMA Physician’s Recognition Award. Each physician should claim only those hours of credit that he/she actually spent in the educational activity.

This course content includes 3.0 hours of Conscious Sedation and Airway Management Training as well as 3.0 hours of BLS Training. Nurse practitioners and other health care professionals will be provided a certificate of attendance for requesting credits in accordance with state nursing boards, specialty societies, or other professional associations.

**CANCELLATION POLICY – ARLS**

Your registration fee, less a $50 administrative fee, will be refunded when written notification regarding your intent to cancel registration for Advanced Radiology Life Support™ is received by the Mayo School of Continuing Medical Education before October 13, 2002. No refunds will be made after October 13, 2002.

**COURSE DESCRIPTION – ADVANCES**

**Advances in Diagnostic Radiology** is a postgraduate course designed to update the diagnostic radiologist in new trends, relevant techniques, and applications in diagnostic imaging. The latest advances in diagnostic radiology will be emphasized and related to common problems encountered in clinical practice. A variety of didactic lectures, informal workshops, question and answer sessions, and accessible faculty members will enhance learning throughout the week.

**COURSE HIGHLIGHTS – ADVANCES**

- Course faculty consists of clinically-active, subspecialty-trained radiologists
- Numerous question and answer discussion sessions
- Ultrasound interactive workshop utilization of live patient models
- Successful recruitment and retention of radiologic technologists in today’s environment
- New trends in stroke imaging
- Eighteen (18) different small group workshops from which to choose
- Twenty-two (22) hours of category 1 CME credit
- Two (2.0) hours of mammography training

**INTENDED AUDIENCE – ADVANCES**

**Advances in Diagnostic Radiology** is a postgraduate course designed to update the diagnostic radiologist in new trends, relevant techniques, and applications in diagnostic imaging.

**COURSE LEARNING OBJECTIVES – ADVANCES**

Upon conclusion of this course, participants should be able to:

- Identify the advantages of fast scan MRI techniques
- Implement MR protocols for the 21st century
- List the applications of CT for lung cancer screening
- Recognize new trends in stroke imaging
- Apply new imaging techniques in ultrasound scanning
- Evaluate the imaging features of CT for trauma to the chest and abdomen
- Review the systematic approach to the diagnosis of soft tissue tumors
- Describe the benefits of PET imaging
- Describe how to successfully recruit and retrain radiologic technologists in today's environment

Attendance at this Mayo course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

**CREDIT – ADVANCES**

Mayo Foundation is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians.

Mayo Foundation designates this educational activity for a maximum of 22 hours in category 1 credit towards the AMA Physician’s Recognition Award. Each physician should claim only those hours of credit that he/she actually spent in the educational activity.

This course content includes 2.0 hours of mammography training.

Nurse practitioners and other health care professionals will be provided a certificate of attendance for requesting credits in accordance with state nursing boards, specialty societies, or other professional associations.
CANCELATION POLICY – ADVANCES

Your registration fee, less a $75 administrative fee, will be refunded when written notification regarding your intent to cancel registration for Advances in Diagnostic Radiology is received by the Mayo School of Continuing Medical Education before October 13, 2002. No refunds will be made after October 13, 2002.

SOCIAL PROGRAM – ADVANCES

Welcome Reception – Monday, October 28, 2002, 6:00-7:30 p.m.
Attendees and their guest(s) are cordially invited to join the course faculty for a complimentary welcome reception on Monday, October 28, starting at 6:00 p.m. This casual reception welcomes Advances in Diagnostic Radiology course participants to Tucson, officially opens the course, and offers the perfect opportunity to make connections with new and existing colleagues. Pre-registration is requested.

EDUCATIONAL GRANTS – ADVANCES

This course is supported in part by educational grants from the following companies in accordance with ACCME Standards:

ALI
Berlex Laboratories
Bracco Diagnostics, Inc.
Cook, Inc.
Fuji Medical Systems, Inc.
General Electric Medical Systems
Mallinckrodt, Inc.
Amersham Health
Philips Medical Systems, Inc.
Siemens Medical Systems, Inc.

At the time of this printing, a complete listing of commercial supporters was not available. Appropriate acknowledgment will be given to all supporters at the time of the meeting.
