You are invited to contribute to the content of this year’s program by submitting an abstract for short presentation. Deadlines for abstracts is February 15, 2012.

This program is supported, in part, by educational grants from the Josiah Macy Jr. Foundation, in accordance with ACCME Standards.
**Course Description**

This two-day, train-the-trainer workshop will address the need to integrate quality improvement and safety into medical education. Designed for health profession educators, this workshop will disseminate the knowledge and tools necessary to successfully implement QI and safety education in undergraduate medical education (UME) graduate medical education (GME), continuing medical education (CME), and allied health schools.

**Course Learning Objectives**

Upon conclusion of this program, participants should be able to:

- Summarize basic theory and tools used in quality improvement (QI) projects.
- Select appropriate methods to conduct a needs assessment of learners.
- Choose learner-centered teaching methods to produce active learning environments.
- Integrate quality improvement methods or safety projects with existing curricula.
- Create or choose assessment methodologies that measure results of QI training.
- Identify methods to facilitate learner engagement in quality improvement/safety programs.
- Prepare and implement a plan to produce quality improvement/patient safety training.

Attendance at this Mayo course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

**Intended Audience**

Health Professions Educators who plan curricula for medical students, allied health students/staff, residents, or practicing physicians are the target audience. While there will be a core curriculum applicable to all learner groups, breakout sessions are geared to the specific needs of each group as identified by a pre-course needs assessment survey.

**Abstracts**

Please submit your abstracts for poster presentation at this year’s conference. Any programmatic or scientific abstracts relevant to all topics relating to quality improvement and patient safety education are welcome. Abstracts drawn from previously published materials will also be considered. Submit your abstract by February 15, 2012. Details regarding the session and abstract submission can be found at [http://www.mayo.edu/cme/quality-2012R926](http://www.mayo.edu/cme/quality-2012R926).

**Date and Location**

The *Teaching Quality Improvement and Patient Safety in Health Professions Education* course will be held May 7-8, 2012. Course headquarters will be located in Phillips Hall on the first floor of the Siebens Medical Education Building, Mayo Clinic, 100 Second Avenue Southwest, Rochester, Minnesota. Meeting facilities are easily accessible by skyway and pedestrian subway, which connect Mayo Clinic to shops, restaurants, and hotels.

**Travel**

Rochester, Minnesota, is a friendly city that greets thousands of visitors from around the world each year. The city is serviced by a modern international airport with multiple flights daily via American or Northwest Airlines. Access to and from the airport is provided by taxi, shuttle service, and rental car. The airport is located approximately 10 miles from the Mayo Clinic campus.

Mayo Clinic’s appointed travel company, Ultramar Travel, is available to assist with your travel arrangements. To make your reservation, phone Ultramar Travel toll-free at 1-866-629-6885.
Travel - continued

Note to Travelers: Several cities in the United States are named Rochester. When you make airline reservations and check your baggage, be sure that your destination is Rochester, Minnesota (RST) and that your baggage has been properly tagged.

Travel arrangements are the sole responsibility of the individual registrant.

Registration
To register online, visit http://www.mayo.edu/cme/quality-2012R926 or complete the attached registration form and return by mail or fax. The registration fee includes tuition, comprehensive course syllabus, continental breakfasts, and break refreshments. Although it is not Mayo School of Continuous Professional Development (CPD) policy to limit the number of registrants for a course, conference room facilities for this course necessitate an enrollment capacity of 60 participants per workshop; therefore, early registration is advised. A letter of confirmation will be sent upon receipt of payment and completed registration form. Please present the confirmation letter when checking in at the meeting registration desk.
