A case-based, interactive approach
Managing Ophthalmic Challenges

December 5-7, 2008
The Breakers®, Palm Beach, Florida

Hot Topics:

* Anti-VEGF therapy for chorioretinal vascular disease
* New intraocular lens technologies
* Use of imaging techniques for glaucoma management
* Blebless glaucoma surgery
* DSEK surgery
* PQRI (Physicians Quality Reporting Initiative)
* The perpetually evolving landscape of health care reform
**Course Description**
This course covers current concepts in ophthalmology for the practicing ophthalmologist. By discussing diagnosis and treatment of a broad range of conditions from each of the ophthalmic subspecialties. It will consist of a case presentation format, drawing on audience participation by using the audience response system.

**Course Learning Objectives**
Upon conclusion of this program, participants should be able to:
- Advise a patient on presbyopia - correcting options.
- Recognize exudative macular degeneration and discuss treatment options.
- Discuss the current management of common retinal vascular diseases.
- Identify lethal causes of new-onset diplopia.
- Quickly recognize and appropriately manage complications during cataract surgery.
- Identify the various types of blepharoptosis.
- Recognize the difference between malignant and non-malignant eyelid lesions.
- Recognize eyelid tumors that are markers of systemic malignancies.
- Discuss differential diagnosis and evaluation of giant cell arteritis (temporal arteritis).
- Recognize the latest advances in glaucoma diagnosis and treatment.

Attendance at this Mayo course does not indicate or guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

**Intended Audience**
This course is designed for the practicing ophthalmologist.

**Credit**
College of Medicine, Mayo Clinic is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

College of Medicine, Mayo Clinic designates this educational activity for a maximum of 14.75 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

**Educational Grants**
At the time of this printing, a complete listing of commercial supporters was not available. Appropriate acknowledgment will be given to all supporters at the time of the meeting.

Exhibits will be available for viewing at all scheduled breaks.

**Date and Location**
The “Managing Ophthalmic Challenges” course will be held December 5-7, 2008 at The Breakers, One South County Road, Palm Beach, Florida 33480. www.thebreakers.com

**Registration**
Register online at www.mayo.edu/cme/ophthalmology.html or complete the attached registration form and return by mail or fax. The registration fee includes tuition, continental breakfasts, and break refreshments. Although it is not Mayo School of CME policy to limit the number of registrants for a course, conference room facilities may necessitate closing of enrollment; therefore, early registration is advised. A letter of confirmation will be sent upon receipt of payment and completed registration form. Please present the confirmation letter when checking in at the meeting registration desk.
CANCELLATION POLICY

If you cancel your participation in this course, your registration fee, less a $75 administrative fee, will be refunded when written notification is received by Mayo School of CME before November 17, 2008 (fax #: 904-953-2954). No refunds will be made after November 17, 2008.

Mayo School of CME reserves the right to cancel or postpone any course due to unforeseen circumstances. In the unlikely event Mayo School of CME must cancel or postpone this course, Mayo School of CME will refund the registration fee, but is not responsible for any related costs, charges, or expenses to participants, including fees assessed by airline/travel/lodging agencies.

TRAVEL

The Breakers Hotel is conveniently located seven miles from West Palm Beach International Airport (PBI), 42 miles from Fort Lauderdale International Airport (FLL) and 72 miles from Miami International Airport (MIA). Both Interstate 95 and the Florida Turnpike provide easy access to South County Road (via Okeechobee Boulevard), which leads to the entrance of The Breakers. Ground transportation can be prearranged by calling Dav EL at 800-922-0343. Travel arrangements are the sole responsibility of the individual registrant.

 Lodging Accommodations

The Breakers has extended a special conference rate of $270 plus applicable tax for superior, run of house rooms, double occupancy, until November 11th or until the room block is filled, whichever comes first. Additional persons in the same room over 17 years of age are $50. The special group rate is offered three days prior to and three days after the meeting, subject to availability. Oceanfront or suite accommodations are also offered at higher rates. Please call the hotel at 888-273-2537 to book your room, identifying yourself as a participant in the Mayo Clinic Ophthalmology conference. Lodging arrangements are the sole responsibility of the individual registrant.

A luxury oceanfront hotel and one of America’s legendary resort destinations, The Breakers is listed on the National Registry of Historic Places and caters to the guest who wishes an elegant and restful experience, and the family with recreation and outdoor interests. This AAA Five Diamond Award is on 140 acres on the island of Palm Beach created in the Italian Renaissance-style with outstanding architecture and lush gardens. Due to its close proximity to the Gulfstream, Palm Beach enjoys a sub-tropical climate noted for year-round breezes and moderate temperatures ranging from 75-85°.

The Palm Beach Inn, originally constructed in 1896 by Henry Morrison Flagler, was destroyed by fire in 1903. Rebuilt in 1904 as The Breakers, the hotel again taken burnt down in 1925. The Breakers, as it is known today, re-opened its doors December 29, 1926, rebuilt in a record breaking 11½ months at a cost of $7 million.

The resort features two 18-hole championship golf courses, a 20,000-square-foot luxury spa with ocean view fitness center, a Mediterranean-style beach club overlooking one-half mile of private beach, five swimming pools, a variety of water sports, 10 tennis courts and an extensive program of family and children’s activities. Also featured are eight outstanding restaurants and an array of on-site boutiques with distinctive merchandise.

Amenities include concierge services, laundry, valet parking and transportation, a “24/7 Business Center,” safe deposit boxes, babysitting, and complimentary shuttle service to both The Breakers Rees Jones® Golf Course and Echo, the resort’s off-site restaurant.

PARKING

Valet parking at The Breakers is $14.00.
FACULTY DISCLOSURE

As a provider accredited by ACCME, College of Medicine, Mayo Clinic (Mayo School of CME) must ensure balance, independence, objectivity and scientific rigor in its educational activities. Course director(s), planning committee, faculty, and all others who are in a position to control the content of this educational activity are required to disclose all relevant financial relationships with any commercial interest related to the subject matter of the educational activity. Safeguards against commercial bias have been put in place. Faculty also will disclose any off-label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. Disclosure of this information will be published in course materials so those participants in the activity may formulate their own judgments regarding the presentation.

FACULTY

Course Directors
Michael W. Stewart, M.D.
Assistant Professor of Ophthalmology
Chair, Surgical Ophthalmology
Mayo Clinic, Jacksonville, FL.
Jonathan M. Holmes, M.D.
Professor of Ophthalmology
Chair, Surgical Ophthalmology
Mayo Clinic, Rochester, MN
Dave Patel, M.D.
Assistant Professor of Ophthalmology
Consultant – Ophthalmology
Mayo Clinic, Scottsdale, AZ

Mayo Clinic Faculty
Sophie Bakri, M.D.
Keith H. Baratz, M.D.
George B. Bartley, M.D.
Rick Bendel, M.D.
James P. Bolling, M.D.
Elizabeth A. Bradley, M.D.
Paul Brazis, M.D.
Michael C. Brodsky, M.D.
Albert O. Edwards, M.D., Ph.D.
Jay C. Eric, M.D.
James A. Garrity, M.D.
S. Akbar Hasan, M.D.
Jonathan M. Holmes, M.D.
Amir R. Khan, M.D.
David A. Kostick, M.D.
Jacqueline A. Leavitt, M.D.
Thomas J. Liesegang, M.D.
Leo J. Maguire, M.D.
Michael A. Mahr, M.D.
Brian G. Moloney, M.D.
Dave Patel, M.D.
Sanjay V. Patel, M.D.
Rajesh Shetty, M.D.
Arthur J. Sit, M.D.

Friday, December 5, 2008

7:00 a.m. Registration and Continental Breakfast
7:55 Welcome – Jonathan M. Holmes, M.D., Dave Patel, M.D., Michael W. Stewart, M.D.

Glaucoma
8:00 Pre-test – Glaucoma – Rajesh Shetty, M.D
8:10 Glaucoma or Not
Thin Corneas and IOP – Dave Patel, M.D.
Glaucoma – OCT vs. Me – Rajesh Shetty, M.D
The Glaucoma Headache – Rajesh Shetty, M.D.
8:40 Glaucoma Management
IOP After SLT – Rick Bendel, M.D.
Leaky Bleb Treatment – Arthur Sit, M.D.
Trab, Trab, Tube….now what? – Rajesh Shetty, M.D.

FACULTY
Saturday, December 6, 2008

7:00 Continental Breakfast

Cataract Surgery

7:55 Introduction and pre-test – Cataract Surgery – Michael A. Mahr, M.D.
8:10 Case One – Amir R. Khan, M.D.
Case Two – S. Akbar Hasan, M.D.
Case Three – Rick Bendel, M.D.
Case Four – Rajesh Shetty, M.D.
Case Five – Michael A. Mahr, M.D.

9:00 Video Panel Closing Discussions – Michael A. Mahr, M.D.
9:05 Multifocal IOLs: Avoiding Suboptimal Results – Rick Bendel, M.D.
9:15 Multifocal IOLs: Dealing with Suboptimal Results – Dave Patel, M.D.
9:25 Multifocal IOL Discussion – Rick Bendel, M.D., Dave Patel, M.D.

9:30 Cataract Surgery in the Post-refractive Surgery Patient: making sense of the confusion – Jay Erie, M.D.

9:40 Endophthalmitis Prophylaxis for Cataract Surgery: a comprehensive review – Thomas J. Liesegang, M.D.

10:00 Endophthalmitis Discussion – Thomas J. Liesegang, M.D.

10:05 Post-test – Cataract Surgery

10:15 Break

Refractive Surgery/Corneal and External Disease

10:45 Pre-test – Refractive Surgery – Keith H. Baratz, M.D.
10:55 Refractive Surgery Disasters – Leo J. Maguire, M.D.

11:20 Refractive Lens Exchange – for me or not for me? That is the question. – S. Akbar Hasan, M.D.

11:45 Corneal Endothelial Transplantation – New techniques, new complications, new challenges – S. Akbar Hasan, M.D., Sanjay V. Patel, M.D.

12:15 p.m. Interesting Ocular Surface Cases – not just itchy burnies OR who said “Surface disease is boring?” – Keith H. Baratz, M.D.

12:40 Post-test – Refractive Surgery/corneal and external disease

12:50 Adjourn
Sunday, December 7, 2008

7:00  Continental Breakfast

Retina

7:55  Introduction and pre-test – Retina – Michael W. Stewart, M.D.

8:05  Management of Macular Disasters: invasions, floods and burns
     – Albert O. Edwards, M.D., Ph.D.

8:30  Approach to Posterior Trauma: when to treat and when to refer
     – Sophie Bakri, M.D.

8:55  Managing the Dislocated Lens: from “Lost Lens” to sunset syndrome
     (the inevitable effects of gravity) – Michael W. Stewart, M.D.

9:20  Excessive Post-operative Inflammation: how worried do we need to be?
     – James P. Bolling, M.D.

9:45  Management of Retinal Vascular Disease: much more than laser
     photoagulation – Sophie Bakri, M.D.

10:10 Infectious Chorioretinitis: the nastiest bugs in Ophthalmology
     – Albert O. Edwards, M.D., Ph.D.

10:35 Systemic Disease in the Surgical Patient: how to avoid medical disasters
     – James P. Bolling, M.D.

11:00 Post-test – Retina

11:10 Break

Pediatrics and Neuro-ophthalmology

11:25 Pre-test – Pediatrics and Neuro-ophthalmology – Jonathan M. Holmes, M.D.

11:35 Diplopia in Cataract, Refractive, Retina Patients: how to avoid and treat –
     Jonathan M. Holmes, M.D.

11:55 Misdiagnoses to Avoid in Pediatric Patients – Brian G. Molney, M.D.

12:15 p.m. Optic Nerve Problems Not To Miss in Children – Michael C. Brodsky, M.D.

12:35 Optic Nerve Problems Not to Miss in Adults – Jacqueline A. Lewitt, M.D.

12:55 Deadly Diplopia – Paul Brazis, M.D.

1:15 Post-test – Pediatrics and Neuro-ophthalmology
