Clinical Reviews and Primary Care Update 2009

Course Description
Clinical Reviews and Primary Care Update consists of lectures, discussions, and workshops on problems of general interest in various areas of medicine, surgery, and pediatrics. Medical staff from Mayo Clinic and Nemours Children's Clinic, Jacksonville, Florida, provide reviews and updates in the areas of cardiology, dermatology, endocrinology, gastroenterology, infectious diseases, internal medicine, neurology, women's health, pediatrics, pulmonology, and sports medicine. An AUDIENCE RESPONSE SYSTEM will be utilized. The electronic syllabus will be available to attendees in 2 forms: (1) online prior to and six months after the meeting and (2) onsite on a flash drive. Participants will be notified as soon as syllabus materials are available online, enabling them to print specific presentations prior to the meeting. Attendees are encouraged to bring their laptops to the meeting to view the syllabus on the flash drive.
