New Frontiers in Endovascular Therapy

Friday, May 17 – Saturday, May 18, 2013

Simulation Center, Stabile North Building (8th Floor)
Mayo Clinic, Jacksonville, Florida

Course Director(s)
Albert G. Hakaim, M.D.
Ricardo A. Hanel, M.D., PhD.
Issam D. Moussa, M.D.
J. Mark McKinney, M.D.

REGISTER NOW!
COURSE DESCRIPTION
This program will emphasize the knowledge related to appropriate patient selection for carotid artery stenting and carotid endarterectomy. In addition, the selection of patients for fenestrated aortic aneurysm repair will be reviewed. Lastly, simulation based learning of robot interventional procedure selection will be provided. Results of recent trials for stem cell application in chronic limb ischemia, and renal artery denervation for refractory hypertension.

LEARNING OBJECTIVES
Upon conclusion of this program, participants should be able to:
- Demonstrate appropriate patient selection for fenestrated aortic stent-grafting
- Describe the best techniques to successfully place branched aortic grafts
- Review available robot based technology for catheter based percutaneous interventions
- Practice robotic and simulation assisted interventional procedures
- Review the evidenced based data regarding carotid artery stenting and carotid endarterectomy
- Practice simulation of complex carotid stenting procedures

Attendance at this Mayo course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

INTENDED AUDIENCE
This course is of interest to vascular surgeons, interventional radiologists, interventional cardiologists, neurosurgeons, neurointerventionalists, mid-level providers who care for patients with abdominal aortic aneurysms and patients with carotid disease. Trainees in associated fields will benefit from this course as well.

CREDIT
College of Medicine, Mayo Clinic, is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. College of Medicine, Mayo Clinic, designates this live activity for a maximum of 13.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Other Health Care Professionals
A certificate of attendance will be provided to other health care professionals for requesting credits in accordance with state nursing boards, specialty societies, or other professional associations.

GRANTS AND EXHIBITS
At the time of this printing, a complete listing of commercial supporters (financial or in-kind) was not available. Appropriate acknowledgment will be given to all supporters at the time of the meeting. Exhibits will be available for viewing at all scheduled breaks.

REGISTRATION
To register online, visit http://www.mayo.edu/cme/surgical-specialties-2013j367, or complete the attached registration form and return by mail or fax. The registration fee includes tuition, a comprehensive electronic course syllabus, continental breakfasts, break refreshments and lunch. Although it is not Mayo School of Continuous Professional Development (CPD) policy to limit the number of registrants for a course, conference room facilities may necessitate closing of enrollment; therefore, early registration is advised. A letter of confirmation will be sent upon receipt of payment and completed registration form. Please present the confirmation letter when checking in at the meeting registration desk.
CANCELLATION POLICY
If you cancel your participation in this course, your registration fee, less a $75 administrative fee, will be refunded when written notification is received by Mayo School of CPD on or before May 3, 2013 (cme-jax@mayo.edu or fax#: 904-956-3096). No refunds will be made after May 3, 2013. Canceled registrations are non-transferable.
Mayo School of CPD reserves the right to cancel or postpone any course due to unforeseen circumstances. In the unlikely event Mayo School of CPD must cancel or postpone this course, Mayo School of CPD will refund the registration fee, but is not responsible for any related costs, charges, or expenses to participants, including fees assessed by airline/travel/lodging agencies.

TRAVEL AND LODGING ACCOMMODATIONS
Jacksonville International Airport (JAX) is located 45 minutes from Mayo Clinic. Taxis and rental cars are readily available at the airport. Travel arrangements are the sole responsibility of the individual registrant. Transportation is highly recommended, as the campus is not within walking distance to dining locations.
Guest rooms have been reserved for attendees and their guests with special course rates at each of the following local Jacksonville hotels:
The Inn at Mayo Clinic, $79 per night, plus tax 904-992-9992; Courtyard by Marriott, $89 per night, plus tax 904-223-1700. To ensure accommodations and discounted rate, identify yourself as a Mayo Clinic New Frontiers in Endovascular Therapy course participant.
For those seeking oceanfront hotels: Ponte Vedra Inn and Club 904-285-1111
One Ocean Resort & Spa 800-874-6000
You may wish to view www.visitjacksonville.com for additional accommodations as well as area attractions.
Mayo School of CPD is not responsible for expenses incurred by an individual who is not confirmed and for whom space is not available at the meeting. Costs incurred by the registrant such as airline or hotel fees or penalties are the responsibility of the registrant.
Travel and lodging arrangements are the sole responsibility of the individual registrant.
PARKING
Parking is available in multiple lots near the Stabile North Building at no charge as well as in the Mayo patient/visitor ramp adjacent to the Davis Building at $2.00 per day on Friday and no charge on Saturday. The cost for parking is not included in the registration fee.

Program Agenda
Friday, May 17, 2013
9:00 a.m. Registration and Continental Breakfast
9:25 Welcome and Introductions
Moderators: Albert G. Hakaim, M.D. and J. Mark McKinney, M.D.
9:30 IVC Filters: Indications and Device Selection
David M. Sella, M.D.
9:50 Difficult IVC Filter Retrieval: Tips and Tricks
J. Mark McKinney, M.D.
10:10 IVC Occlusion: Should we even try to open it?
Gregory Frey, M.D.
10:20 Endovenous Ablation: Lessons Learned
Albert G. Hakaim, M.D.
10:40 Visceral Artery Aneurysms: Endovascular or Open Repair
Richard J. Fowl, M.D.
Saturday, May 18, 2013

7:30 a.m.  Continental Breakfast

Moderator: Gustavo S. Oderich, M.D.

8:00  Endovascular Repair of Thoracic and Abdominal Aortic Aneurysms: Device Evolution and Selection
  Albert G. Hakaim, M.D.

8:20  Endovascular Repair of Thoracic Aortic Dissections and Aneurysms
  Houssam Farres, M.D.

8:40  Fenestrated Aortic Stent Grafts
  Gustavo S. Oderich, M.D.

9:00  Branch Grafts for Thoracoabdominal Aortic Aneurysms
  W. Anthony Lee, M.D.

9:20  Panel Discussion and Q&A

9:45  Break and Exhibits

10:05  Radial Artery Cannulation for Peripheral Interventions
  Michael S. Levy, M.D.

10:25  Stem Cells for Unreconstructable Arterial Disease
  Issam D. Moussa, M.D.

10:45  Creating a Multidisciplinary Vascular Center that Works
  Michael R. Vizzini

Moderator: W. Andrew Oldenburg, M.D.

11:05  Superficial Femoral Artery Interventions: What works?
  W. Andrew Oldenburg, M.D.

11:25  Popliteal and Tibial Artery Revascularization: Antegrade, Retrograde or Surgical
  Albert G. Hakaim, M.D.

11:45  Panel Discussion and Q & A

Noon  Lunch

1:00 p.m.  Case Presentations and Hands on Learning in the Simulation Center

5:00 p.m.  Adjourn
FACULTY DISCLOSURE As a provider accredited by ACCME, College of Medicine, Mayo Clinic (Mayo School of Continuous Professional Development) must ensure balance, independence, objectivity and scientific rigor in its educational activities. Course director(s), planning committee, faculty, and all others who are in a position to control the content of this educational activity are required to disclose all relevant financial relationships with any commercial interest related to the subject matter of the educational activity. Safeguards against commercial bias have been put in place. Faculty also will disclose any off-label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. Disclosure of this information will be published in course materials so those participants in the activity may formulate their own judgments regarding the presentation.
