Minimally Invasive Surgery Series 2006

Laparoscopic Series

Ventral Hernia Repair
Friday, May 12, 2006

Colon Surgery (three dates)
Friday, March 3, 2006
Friday, September 22, 2006
Friday, November 17, 2006

Nephrectomy (expanded two-day course)
Thursday & Friday, September 28–29, 2006

Mayo Clinic – Scottsdale, Arizona

Don’t miss the opportunity to attend this superb educational series
Mayo Clinic College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Mayo Clinic College of Medicine designates this educational activity for a maximum of category 1 credits as follows: 7.5 credits towards Laparoscopic Ventral Hernia Repair; 14.5 credits for Laparoscopic Nephrectomy; and 6 credits for Laparoscopic Colon Surgery towards the AMA physician’s Recognition Award. Each physician should claim only those credits he/she actually spent in the educational activity.

Mayo Clinic Arizona is approved as a provider of continuing education in nursing by the Arizona Nurses’ Association, which is accredited as an approver of continuing education in nursing by the American Nurses Credentialing Center (ANCC) Commission on Accreditation. Mayo Clinic Arizona designates each educational activity for maximum contact hours as follows: 3.3 for Laparoscopic Ventral Hernia Repair; 3.9 for Laparoscopic Nephrectomy; 1.2 for Laparoscopic Colon Surgery and Procedures for Fecal Incontinence (March 3); 1.5 each for Laparoscopic Colon Surgery (September 22 and November 17).

These courses are sponsored but this institution meet the guidelines established in the “SAGES Framework for Post-Residency Surgical Education and Training” and are endorsed by the Society of American Gastrointestinal Endoscopic Surgeons (SAGES).”

EDUCATIONAL GRANTS

This course is supported in part by educational grants from the following companies, in accordance with ACCME Standards.

U. S. Surgical, Applied Medical, Curon Medical, Karl Storz Endoscopy, Ethicon Endosurgery

At the time of this printing, a complete listing of commercial supporters was not available. Appropriate acknowledgement will be given to all supporters at the time of the meeting.

MEETING LOCATION

The didactic presentations of the programs will be held in the Samuel C. Johnson Medical Research Building Auditorium, directions to the meeting room will be included with the registration confirmation letter.

The animate labs will take place at Arizona State University (ASU) animate training laboratory. Complimentary transportation to Arizona State University and back to Mayo Clinic will be provided for all registrants.
REGISTRATION

To register, please complete the attached registration form and return with payment. If you are using a credit card, you may fax your registration form to (480) 301-8323. Online registration is now available! Register at our Web site http://www.mayo.edu/cme/
The course tuition fee for physicians active in practice is denoted on the attached form. Tuition includes continental breakfast, lunch, learning materials, transportation and training labs. No discounts are available for these courses. A letter of confirmation will be sent upon receipt of payment and completed registration form. If you do not receive a confirmation letter, or if you require additional information, please send an e-mail to mcs.cme@mayo.edu or call (480) 301-4580. Please have this letter accessible when checking in at the meeting registration desk.

No refund will be granted unless a written notice of cancellation is received. If registration must be canceled, tuition less a $75 administrative fee will be refunded when notification is received prior to 14 days in advance. No refunds will be made after the 14th day prior to course date.

Although it is not Mayo Clinic’s policy to limit the number of registrants for a course, laboratory facilities may necessitate closure of enrollment. Early registration is strongly recommended. Walk-in registrations cannot be guaranteed.

In case of an emergency, you may be reached at the conference by calling (480) 301-4580.

LODGING ACCOMMODATIONS

Hotel rooms near the clinic are limited. You are urged to make reservations early. Scottsdale Courtyard at Mayo Clinic, 13444 East Shea Boulevard, Scottsdale, has reserved a limited block of rooms at a special rate of $151 single or double occupancy per night plus applicable state and local tax for the March 3 Laparoscopic Colon Surgery course. All other courses have a special rate of $135 single or double occupancy per night plus applicable state and local tax. The hotel is within walking distance of Mayo Clinic. Reservations can be made directly with the Courtyard by calling (800) 309-8287 or (480) 860-4000. Please specify that you are attending Mayo Clinic’s Minimally Invasive Surgery Series. In order to receive the special rate, reservations must be made no later than two weeks prior to the course date. Visit www.marriott.com for more information about the hotel.

TRAVEL ARRANGEMENTS

Please be sure to confirm your course registration prior to making your travel arrangements. When making reservations, please state that you are attending Mayo Clinic’s Minimally Invasive Surgery Series.

GROUND TRANSPORTATION

Hertz is offering a reduced daily rate for participants attending the course. Call (800) 654-2240 and refer to CV Number 03NR0001 when making reservations. Supershuttle vans offer airport transportation to and from the hotel. To make reservations call (800) 258-3826 or (602) 244-9000.

Three easy ways to register:
Fax registration form to: 1-480-301-8323 or
Mail registration form and payment to:
Mayo School of CME (MSCME)
13400 East Shea Boulevard
Scottsdale, Arizona 85259
or
Internet:
Online registration available at
http://www.mayo.edu/cme/

Check our web site regularly.

New courses are added as they become available.
LAPAROSCOPIC VENTRAL HERNIA REPAIR (LVHR)

Samuel C. Johnson Medical Research Building Auditorium, Room-149J

Course Description:
This Laparoscopic Ventral Hernia workshop is designed to teach the technique of minimally invasive ventral and incisional herniorrhaphy. The development of laparoscopic ventral hernia repair will be discussed along with the indications for the procedure. Current biomaterials will be reviewed along with their application to hernia repair. Participants will have the opportunity for hands-on experience in an animate setting.

Friday May 12, 2006

7:30 AM Registration and Continental Breakfast
8:00 Welcome and Introduction
Kristi L. Harold, MD
8:15 History of Ventral Hernia Repair
Gina Adrales, MD
8:30 Meshes: Past, Present, and Future

Kristi L. Harold, MD
9:30 Technique of LVHR
Kristi L. Harold, MD
10:00 Unusual Hernias (Supra pubic and Lumbar)
Gina Adrales, MD
11:00 Complimentary Box Lunch and Transportation to Arizona State University Animate Lab
Noon Arizona State University Animate Training Lab
5:00 PM Adjourn/Complimentary Return Transportation to Mayo Clinic

LAPAROSCOPIC COLON SURGERY (LCS) COURSES

Dates: March 3, September 22, November 17, 2006
Samuel C. Johnson Medical Research Building Auditorium, Room-149J

Course Description:
This course will cover the indications and techniques of laparoscopic colon surgery for both benign and malignant diseases of the colon and rectum. Participants will employ the techniques of laparoscopic colon surgery in a cadaver model during the laboratory session.

Topics include:
• Laparoscopic Colon Resection – technique of right colectomy and left colectomy
• Laparoscopic Colon Resection – lateral-to-medial approach, medial to lateral approach
• Hand-Assisted Colectomy: Indications and Technique
• Cadaver Training Lab at Arizona State University
  Right and transverse colon resection
  Left colon resection and rectal dissection
## Course Description:
Laparoscopic renal surgery was initially performed primarily at academic institutions. Advancements in technique and equipment will allow laparoscopic nephrectomy to become a more mainstream procedure. As urologists learn the skills of laparoscopic renal surgery, these skills will be translated to other laparoscopic urologic procedures. This course is designed to introduce urologists to laparoscopic nephrectomy. Didactic presentations will review laparoscopic techniques and instrumentation as it applies to laparoscopic nephrectomy, donor nephrectomy and partial nephrectomy. Patient selection, outcomes, and faculty experience will be presented through slides, videos and open discussion. The hands-on laboratory sessions will provide exposure to laparoscopic skills, techniques and instrumentation.

FACULTY DISCLOSURE
As a provider accredited by ACCME, Mayo Clinic College of Medicine (Mayo School of CME) must ensure balance, independence, objectivity and scientific rigor in its educational activities. Course Director(s), Planning Committee Members, Faculty, and all others who are in a position to control the content of this educational activity are required to disclose all relevant financial relationships with any commercial interest related to the subject matter of the educational activity. Safeguards against commercial bias have been put in place. Faculty will also disclose any off-label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. Disclosure of these relevant financial relationships will be published in course materials so those participants in the activity may formulate their own judgments regarding the presentation.
REGISTRATION FORM

Minimally Invasive Surgery Series

Laparoscopic Ventral Hernia Repair – May 12, 2006
Laparoscopic Nephrectomy – September 28-29, 2006
Laparoscopic Colon Surgery – March 3, September 22 and November 17, 2006

Please print or type all information. Duplicate form for multiple registrations.

To expedite registration, register online at www.mayo.edu/cme/, fax this form with your credit card noted: (480) 301-8323; or mail to Mayo Clinic College of Medicine, Mayo School of CME, 13400 East Shea Boulevard, Scottsdale, AZ 85259. For questions, please e-mail mcs.cme@mayo.edu or call (480) 301-4580.
