Saturday, November 12, 2011
Ashton B. Taylor Auditorium • Mayo Clinic • Scottsdale, AZ
COURSE HIGHLIGHTS
Thoracic malignancies represent the leading cause of cancer death in the United States. This continuing medical education activity will focus on recent developments in comprehensive care of patients with malignancies of the chest. Faculty will provide important information regarding lung cancer types, causes, prognosis and treatment. Important clinical advances and clinical trials including surgical, medical, radiation and palliative techniques also will be discussed.

COURSE LEARNING OBJECTIVES
Upon completion of this course, participants should be able to:
• Describe various types of lung cancer and their prognosis, as well as diagnostic and treatment options and their outcomes.
• Summarize information about state of the art multidisciplinary lung cancer care.
• Discuss important clinical advances and clinical trials including surgical, medical, radiation and palliative techniques.
• Identify lung cancer issues pertinent to special populations including women and the elderly.

INTENDED AUDIENCE
This program is designed for family practitioners, internists, pulmonologists, nurse practitioners, physician assistants and any healthcare professionals with an interest in learning more about lung cancer.

DISCLAIMER
Attendance at this Mayo course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

AMERICANS WITH DISABILITIES ACT
College of Medicine, Mayo Clinic, fully intends to comply with the legal requirements of the Americans with Disabilities Act. If you need assistance, please notify us at least two weeks prior to the activity.
E-mail address: mca.cme@mayo.edu

Thoracic Oncology for the Non-Oncologist

Saturday, November 12, 2011

Registration at the standard fee may be completed using this form and faxing it to (480) 301-8323. Or you can mail it to: Mayo Clinic, Mayo School of CPD, 13400 East Shea Boulevard, Scottsdale, Arizona 85259.

An e-mail confirmation will be sent upon receipt of payment and completed registration. If you do not receive your confirmation, or if you have any questions, please e-mail us at mca.cme@mayo.edu or call (480) 301-4580.

No refund will be granted unless a written notice of cancellation is received. If registration must be canceled, tuition less a $75 administrative fee will be refunded when notification is received on or before October 28, 2011. No refunds will be made after this date.

Although it is not Mayo Clinic’s policy to limit the number of registrants for a course, conference room facilities may necessitate closure of enrollment. Early registration is strongly recommended. Walk-in registrations cannot be guaranteed.

Mayo Clinic will not be responsible for expenses incurred by individuals who are not confirmed for courses with a closed registration status. Costs incurred by the registrant such as airline/hotel fees or penalties are the responsibility of the registrant.

ON-LINE SYLLABUS: Your registration fee includes access to a detailed on-line syllabus, e-mailed one week prior to the course. This allows you to view, save, or print the syllabus before attending the course. If you want to order a paper copy (additional fee), check the box at the bottom of this registration form.

Your type of practice:  ☐ Solo  ☐ Group  ☐ University  ☐ Resident/Fellow  ☐ Retired  ☐ Other: _________

Years in practice:  ☐ 0-4  ☐ 5-10  ☐ 11-15  ☐ 16-25  ☐ > 25

Course Registrant List (Check only if you want your name removed)
