Mayo Clinic 4th Annual
GASTROENTEROLOGY & HEPATOLOGY UPDATE:
Debates On Current Controversies

ASHTON B. TAYLOR AUDITORIUM
SCOTTSDALE, ARIZONA
SEPTEMBER 29, 2018

5 AMA PRA CATEGORY 1 CREDITS™

$25 Discount when you register by August 29, 2018
COURSE DESCRIPTION

This course will provide the latest, state-of-the-art information on the diagnosis and management of common disorders such as esophageal cancer; eosinophilic esophagitis; anti-coagulation; obesity – medical and endoscopic options; acute pancreatitis; hereditary aspects of gastrointestinal cancer; managing complications of cirrhosis and portal hypertension; update on cholestatic and autoimmune liver disorders; hepatitis B and C - current therapies; and controversies in liver transplantation.

COURSE HIGHLIGHTS

- Case-based presentations
- Optional walking tour of Mayo Clinic School of Medicine
- Interactive Q & A sessions

EXHIBITS

This course offers the unique opportunity for commercial companies to interact with healthcare providers and highlight their products and services. If you are interested in exhibiting at this course, please submit exhibitor documents to our exhibits coordinator Kristy Badder.

LEARNING OBJECTIVES

Upon conclusion of this course, participants should be able to:

Gastroenterology objectives:

- Describe and compare current endoscopic and surgical management of early esophageal cancer
- Explain innovative endoscopic techniques and medical options for the treatment of obesity
- Evaluate current views on the pathogenesis of acute pancreatitis
- Describe the implications, and the management of eosinophilic esophagitis
- Explain practical implications of prescribed and OTC anti-coagulation-related substances
- Describe the latest, state-of-the-art experts’ thinking on the hereditary aspects of gastrointestinal malignancies

Hepatology objectives:

- Review the management of complications stemming from cirrhosis and portal hypertension
- Appraise current and emerging care paradigms for autoimmune, and cholestatic liver disease
- Define the latest hepatitis B and C treatment guidelines
- Evaluate alcoholic hepatitis treatment and assess controversies in the use of liver transplantation for alcoholic hepatitis

INTENDED AUDIENCE

This course is designed for gastroenterologists, primary care physicians, and advanced healthcare practitioners.
COURSE DIRECTORS

Cuong C. Nguyen, M.D.  Thomas J. Byrne, M.D.

MEETING LOCATION
Ashton B. Taylor Auditorium - Scottsdale campus
13400 East Shea Boulevard | Scottsdale, AZ 85259

ACCOMODATIONS
Courtyard Scottsdale at Mayo Clinic | (800) 309-8287
13444 East Shea Boulevard | Scottsdale, Arizona 85259

Hotel rooms near the Clinic are limited. You are urged to make reservations early, as rooms are available on a first-come, first-served basis. Course rooms are $109 per night, plus applicable taxes, for single or double occupancy. Attendees are responsible for their own reservations. Standard hotel reservation confirmation and cancellation policies apply to individual reservations unless otherwise specified.

Reserve your room before August 28, 2018 in order to receive a discounted rate (limited number available). Please identify yourself as a participant of the GI-Hepatology Update when making your reservation.

OPTIONAL
Walking Tour of the Mayo Clinic School of Medicine during lunch
Mayo Clinic School of Medicine’s integration with Mayo Clinic’s world-renowned group medical practice enables students to work in the most current and comprehensive scientific disciplines and technologies, including genomics, individualized medicine, regenerative medicine, bioinformatics and more.
(Space is limited – sign-up when you register for the course.)

CREDIT (JOINTLY-PROVIDED)

In support of improving patient care, this activity is planned and implemented by Mayo Clinic College of Medicine and Science. Mayo Clinic College of Medicine and Science is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

AMA Mayo Clinic College of Medicine and Science designates this live activity for a maximum of 5.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation.

AAFP Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

AANP This education activity will be submitted to the American Association of Nurse Practitioners for approval of up to 5.0 contact hours of accredited education.

AAPA This program is not yet approved for CME credit. Conference organizers plan to request 5.0 AAPA Category 1 CME credits from the AAPA Review Panel. The total number of approved credits is yet to be determined.

AOA This program has been accredited by the American Osteopathic Association for 5.0 credits of AOA Category 2-A.

ANCC Mayo Clinic College of Medicine and Science designates this live activity for a maximum of 5.0 ANCC nursing contact hours. Nurses should claim only the credit commensurate with the extent of their participation in the activity.

MOC Statement Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 5.0 medical knowledge MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Other Healthcare Professionals A certificate of attendance will be provided to other healthcare professionals for requesting credits in accordance with state nursing boards, specialty societies, or other professional associations.
SATURDAY, SEPTEMBER 29, 2018

7:00 a.m.  Registration and Continental Breakfast
Moderators: Cuong C. Nguyen, M.D.; Thomas J. Byrne, M.D.

7:45  Welcome
Cuong C. Nguyen, M.D.

SESSION I

8:00  Early Esophageal Cancer – Light or Knife?
David E. Fleischer, M.D.

8:20  Early Esophageal Cancer – Knife or Light?
Staci E. Beamer, M.D.

8:40  Eosinophilic Esophagitis: What’s New in 2018?
Jennifer L. Horsley-Silva, M.D.

9:00  Anti-Coagulation: An Update for Gastroenterologists
Neena S. Abraham, M.D.

9:20  Q & A – Panel Discussion
Moderator: Cuong C. Nguyen, M.D.
Panel Members: Drs. Abraham, Beamer, Fleischer and Horsley-Silva

9:40  Refreshment Break

SESSION II

10:05  Obesity: Medical Options
Lori R. Roust, M.D.

10:25  Obesity: Endoscopic Options
Rahul Pannala, M.D.

10:45  Acute Pancreatitis: A New Paradigm
Vijay Singh, M.B.B.S.

11:05  Hereditary Aspects in Gastrointestinal Cancer
Niloy Jewel Samadder, M.D.

11:25  Q & A – Panel Discussion Moderator: Sarah B. Umar, M.D.
Panel Members: Drs. Pannala, Roust, Samadder and Singh

11:45  Lunch—Optional Walking Tour of the Mayo Clinic School of Medicine

SESSION III

12:45 p.m.  Management of the Complications of Cirrhosis and Portal Hypertension
David M. Chascsa, M.D.

1:05  Update on Cholestatic and Autoimmune Liver Conditions
Elizabeth J. Carey, M.D.

1:25  Hepatitis B and C in 2018: Current Therapy
Bashar A. Aqel, M.D.

1:45  Controversies in Liver Transplantation: Alcoholic Hepatitis
Rolland C. Dickson, M.D.

2:05  Q & A – Panel Discussion
Moderator: Thomas J. Byrne, M.D.
Panel Members: Drs. Aqel, Carey, Chascsa and Dickson

2:25  Meeting Adjourn

Program is subject to change without notice.
